Although Misa and Suzuka are best friends, they are in different classes at the university, but this story is not theirs. This is the story of Akio and Fumihito, two students of the same university. They have been in love for quite some time now, but they remain discreet in public. After all, there are jerks and homophobes everywhere.

However, today, Akio and Fumihito want each other very much. To be clearer, they want to make love, and they are too impatient to wait for the classes to end. So they meet in the boiler room during a free time between two classes.

"Fumi-*chi*," Akio asks his partner, "is that really a good idea?"

"What? Don't you want me, Aki-*tami*?"

"No, no, I want to have sex with you! But here? It's dangerous."

They love each other so much that they have their own honorifics, straight out of their imaginations.

"Don't worry. We won't stay long."

With these words, Fumihito takes off his pants and the top of his uniform. He invites Akio to touch him, to show him his love.

"Fumi-*chi*..."

Akio undresses in turn and he touches his lover's chest. Fumihito kisses him in the neck, which makes Akio blush. Akio's hands caress Fumihito's belly. As Fumihito pulls back from his neck, Akio's lips kiss both of Fumihito's nipples, one at a time.

"Ohhh, Aki-*tami*~... I can do better than that."

Fumihito gently licks the nipples of his partner. Akio moans quickly. On his side, after withdrawing from Fumihito's nipple, Akio strokes the inside of his legs. He feels Fumihito's penis getting hard. Fumihito will, in turn, gently caress Akio's inside legs. Akio feels his own penis getting hard with pleasure.

"Ahhh~, Fumi-*chi*... My cock wants you."

"Mine does too. I want to cum, my beautiful Aki-*tami*."

"How do you want me to make you cum, my Fumi-*chi*? I want your hands, your fingers on my cock."

"I want your tongue, your mouth."

The two lovers get into position. Fumihito takes Akio's penis in his hands and rubs it vigorously. Sometimes, he kisses his head and licks it. Akio, on the other hand, gently licks Fumihito's penis before putting it in his mouth. Both men orgasm quickly and they find themselves immersed in ecstasy. It doesn't take long before they both come.

Akio and Fumihito wanted to continue their lovemaking when a creature appeared near the boiler room. A demon. The lovers flee, without taking the time to get dressed, which makes the female students they meet in the corridors scream. While Akio and Fumihito are summoned to the director's office for their indecent behavior, Misa felt the demon's presence.

"Suzuka," Misa said as she found her. "I sense a demon, do you?"

"Yes, at the boiler room."

"Let's go there quickly!"

"Meh! It's a weak demon. You can handle it."

"Suzuka!"

"Come on, Misa, I've already missed a lot of classes chasing other demons. Can you handle this one alone for once?"

Misa sighs then she says okay to her best friend. The Blade Templar goes to the boiler room to kill the demon, but this story isn't Misa and Suzuka's story. It's Akio and Fumihito's story. At the moment, they are in trouble! They hope not to be expelled from the university. Finally, the director decides to suspend them for one month. Akio and Fumihito are relieved. One month, that gives them time to date more and to make love.
